### MEDIA RELEASE

1. SKF is pleased to announce that following numerous rounds of discussions internally, and in consultation with its key stakeholders (Singapore National Olympic Council and Sport Singapore), SKF received approval for the amended Constitution from both the Commissioner of Charity and Registry of Society. The amended Constitution takes effect from 18 Dec 2018.
2. Amongst other amendments, the key amendments provides for new members to be admitted under prescribed conditions in line with the management's policy to encourage admission to all who are keen in the sport, with the aim to develop the growth of the sport and to deepen the strength to the sport fraternity in Singapore.
3. This was one of the promises made by the then new management team following the Town Hall meeting on 17 June 2016 at Hotel Royal.
4. Now that this big milestone has been achieved, SKF looks forward to welcoming more clubs to join SKF in order for their athletes to be able to participate and contribute to the sport and that any worthy candidates will not be deprived of an opportunity to represent Singapore.
5. An Open Selections had been planned in the first quarter of 2019. Further announcements will be made at the appropriate time.

6. SKF wishes to reiterate the fact that as an NSA in-charge of the sport, SKF membership remains open to all (including the expelled clubs) who share the same value and vision to join.
7. SKF would also like to take this opportunity to thank Singapore National Olympic Council and Sport Singapore for their advice throughout this matter.

Thank you

Yours faithfully

Ong Wei Yang  
Hon. Secretary
